a. Re paragraph 1A: Present plans indicate that housing will be available for all personnel presently assigned this station with families.

c. Re paragraph 1C: No attempt has been made by [REDACTED] Commander to have Detachment airmen placed at bottom of list for assignment to quarters due to rank and date of rank assignment policy. However affected individuals have been advised to decline housing at this time which will necessitate the Base Commander making involuntary assignments of housing to them at the time all voluntary movements have been completed. It should be noted that affected airmen are living in trailers located in on-base trailer park, not "off-base" as indicated in reference.

d. Re paragraph 1D: There are no Capehart housing units completed at this time. First increment is scheduled for occupancy on 25 April and last increment on 25 July. The local housing office is currently scheduling all personnel for interviews in order of rank and date of rank to provide them the opportunity to make a choice of the new housing. Mandatory assignments will not be made until such time as all new units are ready for occupancy.
